

## PRESS RELEASE

### **GLOMAC 121 RESIDENCES REACHES THE TOP**

TOD High Rise project expected to complete construction by Q1 2024

**KUALA LUMPUR, 8 June 2023** – Glomac Berhad today proudly celebrated a key milestone for 121 Residences, the group's TOD high-rise project in Petaling Jaya with a Topping-Out Ceremony, as construction progressed significantly to reach the top of its 34<sup>th</sup> floor.

Despite facing several post-pandemic headwinds, such as insufficient labour workforce supply back in 2021, the group declares that work has continued at a steady pace and the project is on schedule to complete by January 2024.

The completion of the structural framework signifies a major step towards the realization for Glomac to provide quality and affordable homes for easy access to market centres as 121 Residences is an integrated living space in within Klang Valley, which is suitable for young families and discerning urbanites.

121 Residences is made up of two residential towers that offer serviced apartments and SOHO units priced from RM325,000 onwards with easy accessibility via LDP, NKVE, and SPRINT highways or via public transport with nearby Bandar Utama MRT and upcoming LRT3 line. To date, more than 95 per cent of the units have been sold. As there are several units still available for purchase, potential buyers can contact our sales team at 03-2727 7552 or download the sales brochure at our corporate website: <https://www.glomac.com.my/project/121-residences/>.
